

IMPORTANT NOTICE TO POTENTIAL EI APPLICANTS

The RI Early Intervention Program application process is currently closed at this time and the State will periodically review the need for new applicants. The Department of Human Services - Early Intervention Program shall certify applicants as it deems appropriate and necessary in order to assure a viable statewide early intervention system that provides quality services to infants and toddlers with disabilities and developmental delays. As the need for new applicants for the Early Intervention providers is apparent such notice will be posted on the Department of Human Services website requesting applications and outreach to potential Early Intervention providers will be made. If any individual or agency feels that there is a need to reopen the Early Interventions application period at any time, please send your written comments/concerns to the:
